IN APPRECIATION Thank you for the prayers, cards, phone calls, and visits during my recuperation. They were all very thoughtful and much appreciated. It's always a blessing to have such a caring church family. Love, Charita Wilson

In appreciation to Echo Meadows and all of mom's long time friends. Her faith in God was very deep and very pure. Thanks to the friends who taught her along the way who deepen her faith. All of her friends here meant the world to her; she loved each and every one of you. I know you loved her and will never forget the impact she had. In Christian love, the Caldwell family.

Be sure to sign the sheet when you return them also. Please look around your house and see if you have any books or videos that need to be returned. If you are in need of information on a particular subject, there is a card file in the top drawer of the gray file cabinet in the front room. Your cooperation is appreciated.
